#### Product Description

This genuine OEM 2804108XST01A rear bumper center trim attachment (also called the lower rear bumper guard) is engineered specifically for the Haval Jolion. Positioned in the lower-center section of the rear bumper, it delivers both cosmetic enhancement and practical protection. Molded from high-strength PP plastic, it matches the factory mounting points 100%. Once installed, it shields against light scrapes while restoring the vehicle's original appearance. The UV-resistant finish prevents fading and keeps the rear end looking new for years.

#### Packaging Information

**Selling Units:**

Single item

**Package Size:**

20 × 10 × 5 cm

**Gross Weight:**

2.000 KG

## Frequently Asked Questions

---

**Q: I have a 2022 Haval Jolion. Will this fit?**

A: Yes. Part number 2804108XST01A fits all Jolion models produced from 2021 onward. It installs directly with no modifications required.

**Q: Do I need to buy extra screws or clips?**

A: No. The kit includes the necessary OEM clips; simply reuse the factory screws.

**Q: How difficult is installation? Can I do it myself?**

A: It's an easy DIY job. Remove the old piece, align the new one with the factory locating holes, press it into place, and tighten the original screws—about 10 minutes total.
