Place of Origin: Shanghai, China

Purpose: for replace/repair

Condition: New

Size: Standard size

Type: AC Compressor

Brand Name: TUNEOUT

Quality: High-Quality

Packing: Neutral Packing

Packaging Information

Selling Units: Single item

Product Description

Designed for the 2018-2020 Ford Ranger T9 2.0L, this A/C pump is a 100% match to OE part JB3Z19703A and installs plug-and-play with no modifications. Its aluminum housing and corrosion-resistant bearings deliver efficient cooling and long-lasting durability, even in the harshest conditions.

Frequently Asked Questions

Q1: Which vehicles is this A/C compressor compatible with?

A1: It is specifically designed for the 2018-2020 Ford Ranger T9 2.0L with OE part number JB3Z19703A.

Q2: Do I need extra hardware or ECU programming for installation?

A2: No extra hardware or programming is required; simply have a certified technician evacuate and recharge the system after installation.

Q3: How long is the warranty and what does it cover?

A3: We offer a 12-month limited warranty covering manufacturing defects and premature failure under normal use.
