Product Description

This genuine/replacement oil filter housing is designed for Mercedes-Benz E200, E220 & E250 models. Made from durable materials, it ensures proper oil filtration and prevents leaks. Direct OEM fitment guarantees easy installation.

Frequently Asked Questions

What models is this oil filter housing compatible with?

This part (A2711801010) is designed for Mercedes-Benz E200, E220, and E250 models. Verify your vehicle's year and engine type for exact compatibility.

Can I replace the oil filter housing myself?

Yes, if you have mechanical experience and tools. However, improper installation may cause leaks, so professional help is recommended.

How often should the oil filter housing be inspected?

Check for leaks or damage during every oil change (typically every 5,000-10,000 miles).
