

High Performance Belt Tensioner and Pulley OEM Compatible for Mercedes-Benz OM457 Engine

Our Product Introduction

Basic Information

- Place of Origin: Shanghai,China
- Brand Name: TUNEMOUT
- Certification: ISO9001
- Model Number: 500306772
- Minimum Order Quantity: 10
- Price: USD 8.5-11
- Packaging Details: original package
- Delivery Time: 14 days
- Payment Terms: L/C,D/A,D/P,T/T,Western Union,MoneyGram
- Supply Ability: 1000 pieces a month

Product Specification

- Application: Engine Parts
- Warranty: 1 Year
- Packing: Request
- Quality: High Performance
- Condition: New And Original
- Stock: Enough

Product Description

Belt Tensioner and Pulley 950174 457002270 457200270 4572002970 4572004370 4572002270 4572003170 4572004070 for MERCEDES-BENZ

Product Overview

Belt Tensioner and Pulley 950174 457002270 457200270 4572002970 4572004370 4572002270 4572003170 4572004070 for MERCEDES-BENZ

Attribute	Value
Application	Engine parts
Warranty	1 Year
Packing	Request
Quality	High Performance
Condition	New and original
Stock	Available

Interchangeable OE Numbers

4572002270
4572002970
4572003170
4572004570
A4572004370
4572004370S
457 200 43 70

Cross Reference Brand Part Numbers

Febi Bilstein: 30722
Gates: T38662
Dayco: APV2446
VKMC: VKMCV 51025
DT Spare Parts: (available in the aftermarket)

Technical Specifications

Pulley Outer Diameter: Approx. 78 mm
Pulley Width: Approx. 42 mm
Weight: Approx. 1.6 kg (specific to OE part 1.630 kg)
Material: Metal, high-strength construction
Engine Code Compatibility: OM 457.937

Product Description

This belt tensioner is a genuine OEM engine accessory drive component designed to maintain correct tension of the drive belt. It automatically applies the required force to the drive belt, compensating for belt stretch and maintaining proper belt alignment during engine operation. This ensures reliable operation of belt-driven accessories such as the alternator, power steering pump, and air conditioning compressor. Manufactured to Mercedes-Benz factory specifications, it is designed for stable tension, smooth movement, and a long service life, helping to prevent belt squeal, slip, and wear.

Vehicle Fitment

Mercedes-Benz Trucks (Actros, Axor, and other heavy-duty models)

Mercedes-Benz Buses (Citaro, Evobus)

Also suitable for other commercial vehicles such as KAMAZ

All vehicles equipped with the OM 457 engine series

Frequently Asked Questions

What is the advantage about your company?

Our company has professional team and professional production line.

Why should I choose your products?

Our products are high quality and low price.

The logo and the color can be customized?

Yes, we welcome you to sample custom.

Any other good service your company can provide?

Yes, we can provide good after-sale and fast delivery.
