Product Details

OE Number: 04465-0K240

Other OE Cross References: 04465-0K241, 04465-0K242, 04465-YZZxx (depending on vehicle configuration)

Product Name: Front Brake Pad Set

Category: Brake System Parts

Vehicle Application

- Toyota Hilux
- Toyota Fortuner
- Toyota Innova
- Other compatible Toyota models

Product Description

The 04465-0K240 Front Brake Pad Set is designed to provide reliable braking performance, excellent stopping power, and long service life for Toyota vehicles. Manufactured according to OE specifications, this brake pad ensures precise fitment and consistent braking efficiency under various driving conditions.

Produced from high-quality friction materials, the brake pad offers low noise operation, reduced brake dust, and enhanced resistance to heat and wear. It is an ideal replacement solution for both aftermarket distributors and automotive parts wholesalers.

Key Features

- OE quality replacement for direct installation
- Stable braking performance and improved safety
- Low noise and low dust formulation
- High resistance to wear and thermal stress
- Long service life under demanding conditions
- Precision manufactured for accurate fitment

Technical Specifications

Product Type: Front Brake Pad Set

Position: Front Axle

Material: Semi-Metallic / Ceramic (customized upon request)

Installation: Direct Replacement

Condition: Brand New

Quality Standard: OE Standard

Packaging: Neutral Packing / Customized Brand Packing

Supply Capability

Suitable for wholesale, distributor, and export markets worldwide.

Frequently Asked Questions

Q1. Are you a manufacturer or trading company?

A1. We are a professional manufacturer and exporter specializing in automotive spare parts.

Q2. Can you provide samples?

A2. Yes, sample orders are available for quality evaluation.

Q3. Can you customize the packaging and logo?

A3. Yes, customized packaging and private labeling services are available according to customer requirements.

Q4. What is your delivery time?

A4. Generally, delivery takes 15-30 days depending on order quantity and stock availability.

Q5. How do you guarantee product quality?

A5. All products undergo strict quality inspection before shipment to ensure stable performance and reliability.

Q6. Which markets do you export to?

A6. Our products are exported to South America, Africa, the Middle East, and other global markets.
